Memories

Memories are made of things
That happen every day
Moments as we live them
Things we do or say
Little bits and pieces
Of laughter mixed with tears
Paragraphs and pages
Written through the years
The friendships we remember
Mistakes that we regret
The ending of a love
We never could forget
We can't erase the sadness
Or edit out the tears
We can't undo the wrong
We can't relive the years
But since memories keep building
Each day can be the start
Of making new and happy ones
To store within the heart

The Senior Class of 1978 is proud to dedicate its yearbook to Mr. Steve Voquit. A dedicated American History teacher, coach and friend to all, he has helped to make our years at Wilson memorable ones. We thank you Mr. Voquit for your useful advice, slapstick humor, interest in the student body, outgoing attitude, spirit, and most of all your warm friendship. Let it be known your efforts will be well remembered.

What flavor Mr. Weirich?

This year's spirit week was held October 10-15. As usual we had a hush button, a scroll, a hall decorating, a hillbilly and red and white day. This year however, we had something a little different, Hired Hand Day. The boys purchased the girls to do little jobs for them up until the end of the school day. We also had a pep rally, floats, and homecoming ceremonies. 1978 homecoming queen is Charlene Auman and the class of '78 came in first for two years in a row in the competition between the classes. '79 and '80 following.

Reflections in the waves spark my memories-

But we'll try - best as we can to carry on!
